

# Mr. A's

## POULTRY TONIC

*For Poultry and All Livestock*

Worms among all Livestock, Chickens and Turkeys. All we ask is to get it into their system, in food or drinking water.

### - DIRECTIONS -

SHAKE WELL BEFORE USE

Use 1 tablespoon in 1 gallon of water for 10 days. Wait 6 days and repeat. Baby chicks use 10 drops in 1 quart of water for 10 days and repeat in 3 days. Your flock will become healthy. Their production will become healthy. Your production increases far in excess of the cost, thereby bringing you returns.
